

# Jeanie Schmidt Free Clinic

## Impacting Lives Through Patient Care... Improving the Health of Our Community

The Jeanie Schmidt Free Clinic provides full primary health care for adults with high blood pressure and diabetes in addition to services for children

### Free Children's Services

Children are eligible if they are 3-19 years of old, living in Fairfax County, have no medical insurance (including Medicaid), and a family income 200% or less of the poverty level. Services include but are not limited to :

**Flu shots**

**Anemia Screening**

**Sick Visits with a Medical Provider**

**School and Sports Physicals**

Parent or legal guardian must be present during the appointment. Please bring proof of income.

Clinic hours for children:

**Monday – Tuesday 9:00 – 5:00 p.m.**

**Wednesday –Thursday 9:00 a.m. – 12:00 p.m.**

Periodic Evening Clinics

Walk-in appointments are sometimes available, but appointments are preferred.
